The Colorado Springs Mineralogical Society is happy to invite you and all members of your earth science club to our annual show on June 24, 25, 26, 2011. This year we are the proud sponsor of **The Rocky Mountain Federation of Mineralogical Societies Convention and Show**. The Colorado Springs Mineralogical Society will celebrate our 75th anniversary in conjunction with the Rocky Mountain Federation of Mineralogical Societies' 70th anniversary.

We will have a variety of dealers, demonstrations, and field trips prior to and following the show. The competitive portion of our show, all meetings, and banquets will be held at the Best Western Academy Hotel, 8110 N. Academy Blvd., Colorado Springs, CO, located at I-25 and Academy Blvd (Exit 150) on the north side of Colorado Springs. There are many fine restaurants and shopping centers nearby.

The non-competitive displays will be located at the Western Museum of Mining and Industry located near the intersection of I-25 and Northgate Rd. (Exit 156). We are just moments away from many popular tourist attractions including The Garden of The Gods, Focus on the Family, and the Air Force Academy.

Enclosed you will find advance registration forms. Please make additional copies as needed. These forms are also available on our web site www.csms.us. We have a limited number of cases available for your use. If you have any questions or need additional information, please call us at 719-636-2978.

We hope to see you all this coming June!
