

RMFMS Report, Dues and Club Insurance Form 2010-11

Instructions for filling out the report form in Word. Please read before proceeding to fill out the form. Font is Times New Roman 10

1. Save a copy of the unfilled out form in a Word file where you can remember where it is. If you screw up the form, you can always delete and then retrieve a fresh copy from your file and start all over.
2. Navigate between fields using your mouse and left click button. Do not try to move from field to field with your up/down/left/right arrows, space bar or Enter key. That will not work very well.
3. Do not fill out in bold. Keep an eye on the Bold button in case it turns on.
4. Fill out ALL the club information. Do not assume that we can look it up from last year.
5. Fill out the officer info. in the order listed. Separate the data with commas and semicolons. Example: T Gene Maggard; 8318 SE HWY 77, Leon, Ks 67074; etc. If your info. for an office runs over to the next line, don't worry about that.
6. P=president; VP =Vice President; T=Treasurer; FldTr=Field trip chairman; FdRp=RMF rep.; Ed=Editor; Show=Show Chairman; Bltn=Bulletin Chairman
7. When you are complete, save the completed form for the specific year 2010-11. Then you can recall the document the next year and just edit changes rather than filling out a whole new report
