Dear RMFMS Editors,

First, I want to say that I am honored to lead the RMFMS Bulletin Contest for 2010. Linda Jaeger has done an outstanding job the last couple of years, and I hope to walk in her footsteps. Linda will continue in the AFMS Bulletin Contest position.

Second, I look forward to receiving your entries of the two best 2009 issues and the best articles, written feature, drawn feature, poems, and special publications by each of your authors.

All of the contest information is available online at www.rmfms.org in PDF format, which you can read on your computer if you have the latest version of Adobe Acrobat Reader (version 6.0 should work). If you do not have Acrobat Reader or the latest version, you can download it free. Just go to www.adobe.com. If you are receiving this email for your club and your editor does not have a computer, please visit the RMFMS website and print the pages of the contest information for him/her. There are also helpful articles about Special Publications, etc. on the AFMS website at www.amfed.org .

Printed entries are due to me by January 15, 2010.
