Dear Rockhounds,

On behalf of the Tulsa Rock and Mineral Society, I would like to welcome you to our annual show and the Rocky Mountain Federation of Mineralogical Societies 2026 Convention.

Established in 1958, the Tulsa Rock and Mineral Society remains a vibrant community with an active membership and an excellent Pebble Pups program. We are fortunate to maintain close relationships with two local museums that house our club's rock shops:

- The Elsing Museum: Located at Oral Roberts University, this free museum features a vast collection of minerals, gems, fossils, and artifacts. Our long-time member and geologist, Claude Bolze, serves as the past curator.
- The DW Correll Museum: Located in Catoosa, this unique institution displays antiques, rocks, minerals, and vintage automobiles. We are pleased to have the museum's curator, Eric Hamshar, as a long-time member and our current show chair.

This is an especially exciting year for Tulsa. In addition to the show and convention, the area is hosting celebrations for the 100th anniversary of Route 66 and the 250th anniversary of the United States. As the capital of Route 66, Tulsa offers 28 miles of historic road to explore, leading to landmarks such as the iconic Blue Whale in Catoosa.

Thank you for joining us. We hope you enjoy the show and the many activities our city has to offer.

Sincerely,

Roberta Wagle
TRMS President

2026 RMFMS Convention

2026 RMFMS Convention Junior Competition

To encourage the Juniors of the member clubs to participate in the acquisition of material in the field, and the identification and preparation of items for exhibit, the RMFMS has established the Junior Program Cash Awards.

There shall be two awards given each year at the annual Convention. Award One of \$50.00 shall be for juniors age twelve (12) and younger. Award Two of \$50.00 shall be for juniors age thirteen through seventeen. Each junior may enter **one exhibit only** in one of the following four categories: 1) Minerals 2) Lapidary 3) Petrified Wood & Fossils, or 4) Jewelry (Using specimen collected in the field)

Each entry shall have a label showing the name of the location (county and state) where the specimen was collected, the name of the specimen (as listed in the AFMS Approved List of Minerals, Lapidary Materials or Fossils), and the name of the junior's club. In the case of fossils, the period of the specimen shall be shown. Each entry shall be mounted on either a base or stand to best display the specimen.

The judges use the following criteria in judging the entries:

* Labels: 20 points, all categories. Judging neatness, completeness and correctness of information.

* Quality of Material: 30 Points

1. Minerals Completeness and condition of specimen, i.e. freedom from flaws, size and color of specimen.
2. Lapidary: Freedom from flaws, color and pattern and suitable hardness for use.
3. Fossils: Extent to which specimen may be free of matrix, sufficient amount of specimen to identify classification of specimen and detail present.
4. Jewelry: Specimens, i.e. Lapidary, Minerals or Fossils, will be judged the same as their counterparts in the other categories.

* Workmanship 50 points

1. Minerals: Skill of junior in preparing specimen for exhibit such as removing matrix, cleaning, mounting on base in attractive manner etc.
2. Lapidary: Skill of junior in preparing specimen for exhibit such as shaping and polishing mounting on base in attractive manner etc.
3. Fossils: Skill of junior in preparing specimens for exhibit such as removing matrix, cleaning, mounting on base in attractive manner etc.
4. Jewelry: Skill of junior in preparing collected specimen for use in either a commercial or handmade finding for jewelry.

2026 RMFMS CONVENTION

The completed form is due by Saturday June 30, 2026, and it must be signed and dated. Email to the completed form to Liz Thomas, Mygemsrock@gmail.com or mail it to RMFMS c/o Liz Thomas TRMS Box 2292 Tulsa, OK 74101.

Name: _____

_____ Phone: _____ Mailing

Address: _____ Email: _____

_____ Name of Club/

Society: _____

Exhibit Space

Required: _____

Example: If the specimen is mounted on a piece of plastic that is 4 x 5 inches and the label is 2 x 4 inches then the exhibit will be 6 x 5 inches.

The Award will be presented with a ribbon denoting Outstanding Junior at a ceremony at the annual Awards Banquet.

Certification: I certify that I collected and performed all work on this specimen and that I am a member of a RMFMS club.

Junior Member's Signature: _____ Date: _____

Parent/Guardian Signature: _____
_____ Date: _____

Our accommodations for the convention will be at the **Holiday Inn Express & Suites Mid Town**. The address is 4680 E. Skelly Drive, Tulsa, Oklahoma.

Here is your booking link.

<https://www.ihg.com/redirect?path=rates&brandCode=EX®ionCode=1&localeCode=en&checkInMonthYear=062026&checkInDate=10&checkOutDate=13&checkOutMonthYear=062026&hotelCode=TULXS&GPC=GEM&numberOfAdults=1&numberOfRooms=1&adjustMonth=false&showApp=true&monthIndex=00>

The rooms are \$119.99 a night plus tax. It does offer breakfast and there are king rooms available.

These rooms do not have coffee makers in them due to the fact they get torn up a lot, so they took them out and there is coffee in the lobby for you 24-7. Also, if you do want a coffee maker, they will bring one to your room on request.

If you want to stay a day before or a day after the convention, they will honor the price, but you will need to call them to do this. The phone number is 918.986.8200 and speak to Tara.

If you need handicap accessible room, again call Tara and they will fix you up.

This hotel is in the same parking lot as the hotel where all the meetings and the banquets will be held.

TULSA ROCK & MINERAL SOCIETY SHOW

Field Trip Information

Friday July 10th: **Blastoids and other Mississippian Marine Fossils**

Limit: 50 people

Meeting place: Walmart Parking Lot in Wagoner (35.95789, -95.3975399)

Meeting time: 9:00 A.M.

Description: We meet by the gas station and drive to the site. At the site we will be able to find several Mississippian age fossils strewn along the lakeside. The lower the lake level, the more we will be able to find. Once you are done here, you are free to run over to the nearby Sequoyah State Park to visit the nature center or the fossil plant material visible at the south end of the park (although collecting is not permitted in the park).

What to bring: shoes for walking in water, or those that can get wet, a bag for collecting, sunscreen, water and lunch.

Saturday July 11th: **Pennsylvanian Fern Fossils**

Limit: 20 people, possibly a second group in the afternoon depending on interest.

Meeting place: West Highlands Park on 61st St S (36.07505, -96.02211)

Meeting time: 9:00 A.M.

Description: After gathering we will take a short drive to the site. We have been given permission to access private property nearby, so we will need to be well behaved and mind the grounds. We will be hiking back into the woods on the property. Hopefully, we will have been able to make sure the trails are cleared out, but if not, we will likely be walking up the creek. There

we will be able to pop up slabs of the shale outcrop, likely part of the Coffeyville formation, to find various fern fossils.

What to bring: shoes for walking in water, or waders; sunscreen, bug spray, hammer, chisel, a flat box for carrying your finds (eg: a box lid), something to treat the ferns after they dry out a bit, such as a clear spray on sealer or watered down Elmers's glue.

Sunday July 12th: **Boley Agate**

No Limit on people attending.

Meeting Place: Rivermist Casino, north of Ada at the intersection of highway 377 and 56 (34.9396, -96.6834)

Meeting time: 10:00 A.M.

Description: After meeting, we will drive a few miles down the road and walk along the roadsides for Boley agate, a type of brecciated jasper.

What to bring: comfortable shoes, a bag for collecting, hammer/prybar, sunscreen, bug spray, water and lunch.

Please let us know if you would like to go on any of these field trips. Please contact Peter Grice at petergricetrms@gmail.com.
