Operating Procedure No. Boundaries - 1
Subject: Boundary Chair Duties and Responsibilities

Adopted 4-23-16

The President shall appoint a Boundaries Chair to represent the RMFMS on the AFMS Boundaries Committee. It is preferred that the individual be a Past RMFMS President.

The Boundaries Chair becomes involved in RMFMS activities whenever a Club from outside the RMFMS Boundary makes an application to join the RMFMS, or when the RMFMS receives notification that a Club within the RMFMS Boundary wishes to join another Federation. The Boundaries Chair shall be aware that a Club may, if they choose, belong to multiple Regional Federations.

The duties of the Boundary Chair are:

1. Upon receipt of a formal request from a Club outside RMFMS boundaries to join the RMFMS, notify the Regional Federation where the Club currently resides. It is recommended to do this either verbally or by email, which starts a sixty (60) day waiting period. Assist the President in writing follow up Correspondence to the President of the Federation where the Club resides on RMFMS Official Stationary with an RMFMS envelope.
2. If, after the waiting period, no objection has come from the Federation in which the Club resides, inform the Federation Secretary to initiate processing of the application.
3. If an objection has been voiced, inform the President, Treasurer, and Secretary to take no action until the problem is resolved through the AFMS Boundaries Committee.
4. In the event that a RMFMS Club applies for membership in another Federation, first determine if the Club plans to leave the RMFMS. If not, no action is required except to inform the RMFMS President to convey that information to the President of the other Federation by Official Correspondence.
5. If a Club plans to leave the RMFMS, try to determine, with the assistance of the State Director, what grievance, if any, the Club has for leaving. Provide this information to the President to determine if the situation can be rectified. There should be no effort to convince the Club to reconsider. Any inquiries are for the purpose of determining if there are things that the RMFMS can do to improve service to member Clubs and Societies.

Subject: Operating Procedures System

Adopted 6-15-63
Amended 4-23-16

The Articles of Incorporation and Bylaws of this Federation are intended to contain our basic purpose and organizational structure. Operating Procedures are intended to help cover that wide area of operational details that give structure to our basic documents.

Future additions to our Articles of Incorporation or Bylaws will be limited to major provisions and rules that cannot be adopted, changed, suspended or rescinded without prior notice as listed in Robert's Rules of Order, Revised.

Details of operation not contained in our Articles of Incorporation and Bylaws that are to be continued year after year will be covered by Operating Procedures.

1. Suggested Operating Procedures may be submitted in writing by any member in good standing to the President, the Executive Committee, or directly to the House of Delegates for consideration at any Annual Business Meeting.
2. Operating Procedures may be adopted, suspended, amended or rescinded at the Annual Business Meeting without prior notice by a majority affirming vote of those present and voting. After adoption, they become mandatory until amended, suspended, or rescinded by the House of Delegates.
3. No Operating Procedure is in order that violates this Federation's Articles of Incorporation or Bylaws.
4. Instructions in the Operating Procedures which require submitting forms, information, etc., to the "officers of the Federation or Executive Committee" shall mean submit to the Federation Secretary who in turn will send these submissions to the Executive Committee.
5. Approved Operating Procedures will be prepared and issued by the Federation Secretary within 60 days after the annual business meeting. The following format shall apply to all Operating Procedures as issued:
Example:

Example

Operating Procedure No. General - 1 RMFMS OPERATING PROCEDURE

Operating Procedure No. President - 1 (or 2, etc., as applicable) Adopted (Date)

Subject: (Show the appropriate heading here, such as "Budget Control" or " Uniform Rules Committee Duties". etc., as applicable.)

The prefix "President" in the Operating Procedure No. shown above indicates the President is the one most directly responsible for fulfilling the provisions of the Operating Procedure involved. The number "1" after "President" shows it is the first Operating Procedure issued to that particular office: "Operating Procedure No. President - 4" would be the fourth one issued to that office. This Operating Procedure No. will vary, depending upon what office or committee is directly responsible for the provisions of the Operating Procedure, and whether it is the first, second or tenth Operating Procedure issued to that office.

Operating Procedures are not to stifle initiative, but will cover only the minimum duties and activities of officers and committees; any supplementary, non-conflicting functions that have the administration's approval and for which expenditures have been authorized can still be activated; but to be continuing and binding on future administrations, such activities must be reduced to OP form, and approved by the House of Delegates.

Operating Procedure No. Gold Pan Award - 1
Subject: Gold Pan Award Committee.

Adopted 7-12-14
Amended 4-23-16

The Gold Pan Award Committee shall consist of three persons who have previously received a Gold Pan Award. Their terms are continuous.

If one of the members of the Committee is unable to perform the duties of the Committee, due to health or other reasons, the other two members shall select a third member for the Committee from the list of Gold Pan awardees.

The person who has the greatest longevity on the Committee shall be the Chair.

The Committee may or may not select a recipient each year. More than one award may be presented in a given year.

The Committee will select individuals, who, in the Committee's opinion, have performed outstanding service to the RMFMS. The individuals selected need not be RMFMS Officers. The vote of the Committee will be unanimous.

Pertinent historical additions shall be at the discretion of the Historian and/or the Executive Committee. The entire records or any part thereof shall be made available to any member of the Federation needing it for information to further the interests of this Federation.

The Historian shall:

1. Coordinate with the Newsletter Editor annually to have copies of the year's newsletters transferred to the historical files at the Annual Meeting.
2. Maintain files of RMFMS Annual Meeting agendas and corrected Minutes from all meetings as received from the RMFMS Secretary. Maintain copies received of all meeting reports, contest results and updated RMFMS Directories, By-Laws, Operating Procedures and all *ad hoc* Committee reports.

Operating Procedure No. Insurance - 1
Subject: Voluntary Liability Insurance for Federation Clubs

Adopted 6-10-95
Amended 4-23-16

The President shall appoint a Chair of the Insurance Committee, who, with the Treasurer and all State Directors, shall secure and administer a liability insurance program to cover all interested member clubs.

Since most clubs have activities that involve non-members, such as field trips, club meetings, show, etc., they become at risk for accidents that might happen to non-members. Also, insurance premiums become less as the number of members covered increases. Therefore, a Federation insurance premium would ultimately save the clubs money and relieve them of concerns of a loss. This would be of special benefit to small clubs as their per member costs are higher when buying it for the club alone.

The duties of the committee shall be as follows:

1. The Chair shall solicit bids from likely insurance carriers to obtain "Commercial General Liability Coverage" for all interested member clubs. Since, especially in the first year of operation, it will be difficult to determine how many clubs will join and since carriers have a minimum bid, regardless of the number covered, it will be necessary to set up a zero average balance revolving insurance fund.
2. The Chair, along with the Treasurer, after receiving a bid from a potential insurance carrier will determine the per member charge for the insurance coverage. If a firm per member bid is obtained, then that shall be the cost charged to each member joining. If, after operating the program, it becomes evident that a significant cost is incurred by the Federation in administrating it, then an additional charge should be added to the per member charge.
3. However, if a firm per member bid is not obtained, then the State Directors shall be enlisted to obtain a valid estimate of clubs who will join, with their members. The Chair and Treasurer, collectively, shall set the cost per member in such a manner that, over several years, the insurance payments received should equal the insurance costs. In this case it is unlikely that in any one year the receipts would equal the insurance costs. The charge the following year, or years, would be adjusted to give a zero-average balance in the fund.
4. Insurance coverage shall be offered for purchase to all clubs and shall be indicated as a separate per-member cost on the annual membership dues form.

Operating Procedure No. International Relations Committee -1
Subject: Committee Organization and Duties

Adopted 7-15-23

The President shall appoint an International Relations Committee Chair, who will select a committee as deemed advisable and necessary.

The purpose of this Committee is to:

1. Encourage the exchange of information, and cooperation, with rock, gem, fossil and mineral clubs external of the United States;

3. Answer questions from RMFMS/AFMS members about collecting laws and regulations in countries other than the United States; and
4. Act as a goodwill ambassador for international visitors wishing to connect with rock and mineral clubs in the United States. It is envisioned that such activities will provide educational value to RMFMS club members.

This committee will:

1. Furnish the RMFMS Newsletter Editor information about international clubs for possible rock, gem, mineral, and fossil cooperative activities, including exchanges and fieldtrips.
2. Prepare information and suggestions about international collecting laws and regulations that may be informative for United States rockhounds planning international trips.
3. Encourage member clubs to present information/programs about international geological features, rocks, minerals, and fossils.
4. Encourage individual club members to submit questions about minerals, fossils, gems, and rocks of non-United States origin.
5. Encourage club members to develop programs about non- United States rocks, gems, minerals, and fossils that could be shared with other clubs, and programs on United States resources that could be shared with international clubs (all of this by computer technology).

Operating Procedure No. Junior Program - 1

Amended 4-23-16

This committee will:

1. Serve as the Rocky Mountain Federation information person regarding Junior Programs by member clubs of the Federation.
2. Actively encourage junior members to exhibit either competitively or non-competitively at local and regional shows.
3. Promote junior activities both within member clubs and as separate junior groups sponsored by the adult clubs.
4. Act as the coordinator between this Federation, the other Regional Federations and the AFMS pertaining to Junior Programs.
5. Furnish the Newsletter Editor information pertaining to junior activities. This will include information concerning special awards established for juniors (Example: Lillian Turner Award) and articles recognizing special achievements by juniors.
6. Act as the repository for programs and projects developed and designed for juniors.

Operating Procedure No. Junior Program - 2
Subject: Future Rockhounds of America

Adopted 11-22-86
Amended 4-23-16

To promote the acquisition, participation and recognition of juniors within the Rocky Mountain Federation of Mineralogical Societies, the AFMS program entitled "The Future Rockhounds of America" is hereby established within this Federation.

The purpose of this program is to encourage the formation of Future Rockhounds of America groups and their participation in Federation activities by junior members, organized either as a separate club or as a subgroup of juniors under the guidance of an adult club. It is envisioned that such activities will provide educational value and will serve as a vehicle to give leadership training to juniors as possible future club and Federation officers.

The Chair of the Junior Program Committee shall be responsible for the administration of this program within the Federation.

Designating a junior group as a Chapter of the Future Rockhounds of America will be favorably considered in the following situations:

1. Any group of juniors organized as a separate club with its own written instruments of organization, meetings, etc., may, upon application to and acceptance by the Rocky Mountain Federation as an affiliated club, apply to the Junior Program Chair for a certificate designating that club as a Chapter of the Future Rockhounds of America. The Junior Program Chair will affirm that the club is currently in good standing by either consulting the current RMFMS Directory or the RMFMS Treasurer, and will forward the application with a recommendation to the AFMS Chairperson that the certificate be issued.
2. Any affiliated adult club with a group of juniors who conduct their own activities, governed either by their own or by the written by-laws of the adult club and under sponsorship of the adult club, may apply to the Junior Program Chair for a certificate designating the junior subgroup as a Chapter of the Future Rockhounds of America. The application will confirm that all members of the junior group are members of the adult club and will be signed by an officer of the adult club. The Junior Program Chair will affirm that the club is in good standing by either consulting the RMFMS Directory or the RMFMS Treasurer, and will forward the application with a recommendation to the AFMS Chairperson that the certificate be issued.

It is recognized that the vast majority of clubs with juniors have five or less junior members. Furthermore, many clubs draw their membership from a large geographical area (particularly in rural communities). In such circumstances it may not be feasible to form a separate subgroup of juniors.

However, most of these juniors participate in the normal activities of the club as regular members, i.e., they attend meetings, go on field trips, assist at shows, write articles for the bulletin, etc. These juniors should be encouraged, and their achievements recognized.

In order to give those juniors who are members of a Club where formation of a subgroup is not feasible the opportunity to participate in the Future Rockhounds of America program, a Rocky Mountain Federation Chapter-at-Large will be established.

The Chair of Junior Program Committee will organize a Chapter-at-Large in the name of the Rocky Mountain Federation listing the Junior Program Committee Members as adult sponsors of the Chapter and shall make application to the AFMS Chair for a certificate establishing said Chapter. Membership in this Chapter shall be available to all Junior Members of any affiliated club within the Rocky Mountain Federation upon the receipt of a letter request from an officer of the club listing the name, address, date of birth, and a statement affirming that the Junior is a participating regular member of the club. Upon receipt of the request, the Chair of the Junior Program shall issue an individual membership card for that year to the Junior and will forward same to the President of the club for presentation. For this program, a junior is defined as a young person who has NOT reached their eighteenth birthday and is a member of an affiliated club.

It is stressed that the Chapter-at-Large is not intended to discourage the formation of Chapters, where feasible, in individual clubs but rather is established for those clubs with limited junior membership. It is strongly urged that the Presidents of affiliated clubs, wherever membership and circumstances permit, form a local Chapter for their juniors. The Chair of the Junior Program will initiate those activities for their Chapter-at-Large that in his/her opinion are appropriate, consistent with funding, membership, and interest. Information pertaining to such activities will be given to the Newsletter Editor for inclusion in the Newsletter.

Operating Procedure No. Junior Cash Awards- 3
Subject: Junior Program Cash Awards

Adopted 04-20-02
Amended 4-23-16

To encourage the Juniors of the member clubs to participate in the acquisition of material in the field, and the identification and preparation of items for exhibit, the RMFMS hereby establishes the Junior Program Cash Awards. This program shall be administered by the Junior Program Chair.

There shall be two awards given each year at the annual Convention. Award One of \$50.00 shall be for juniors age twelve (12) and younger. Award Two of \$50.00 shall be for juniors age thirteen through seventeen. Each junior may enter one exhibit only in one of the following four categories:

1. Minerals
2. Lapidary
3. Petrified Wood & Fossils
4. Jewelry (Using specimen collected in the field)

Each entry shall have a label showing the name of the location (county and state) where the specimen was collected, the name of the specimen (as listed in the AFMS Approved List of Minerals, Lapidary Materials or Fossils), and the name of the junior's club. In the case of fossils, the period of the specimen shall be shown. Each entry shall be mounted on either a base or stand to best display the specimen.

Judging of the exhibits shall be by a committee of three members of the Executive Committee designated by the Junior Program Chair or in the absence of the Chair, by the RMFMS President.

They shall use the following criteria in judging the entries:

* Labels: 20 points, all categories. Judging neatness, completeness and correctness of information.

* Quality of Material: 30 Points

1. Minerals Completeness and condition of specimen, i.e. freedom from flaws, size and color of specimen.
2. Lapidary: Freedom from flaws, color and pattern and suitable hardness for use.
3. Fossils: Extent to which specimen may be free of matrix, sufficient amount of specimen to identify classification of specimen and detail present.
4. Jewelry: Specimens, i.e. Lapidary, Minerals or Fossils, will be judged the same as their counterparts in the other categories.

* Workmanship 50 points

1. Minerals: Skill of junior in preparing specimen for exhibit such as removing matrix, cleaning, mounting on base in attractive manner etc.
2. Lapidary: Skill of junior in preparing specimen for exhibit such as shaping and polishing mounting on base in attractive manner etc.
3. Fossils: Skill of junior in preparing specimen for exhibit such as removing matrix, cleaning, mounting on base in attractive manner etc.
4. Jewelry: Skill of junior in preparing collected specimen for use in either a commercial or handmade finding for jewelry. Such skills as shaping, polishing and mounting specimen in findings as well as consideration of suitable use of material shall be part of the judging under workmanship.

Administration:

At least 90 days prior to the convention, the Junior Program Chair shall place an entry form in the RMFMS newsletter concerning this award. The form shall require the following information:

- * Name and age of junior
- * Statement by the junior that he/she found the specimen in the field and performed all work themselves.
- * Name of the junior's club
- * Certification by a Club Officer that the junior is a member of the club.

This form must accompany the specimen exhibit. Once the form is turned in at the Convention the Junior Program Chair shall place a number on the form, the judging form and a card to be placed with the entry. Thus the judges will not know the identity of the junior. After the judging is complete the Junior Program Chair shall select the highest score in both age groups. If a tie exists, a two-person committee shall re-judge the tie entries only and pick a winner. This decision shall be final. The two awardees will be announced at the Awards Banquet and check awarded if the junior is present. If the junior is not present, the check shall be sent to the President of the junior's club for presentation at a regular meeting.

Any junior who wins an award may not compete the following year in the same category but may compete thereafter. The Junior Program Chair shall prepare a press release announcing the award winners for publication in the RMFMS newsletter.

All entries shall be in the hands of the Junior Program Chair prior to the opening of the show on the first day and shall remain in the exhibit case until tear down on the last day.

In order to give the widest number of juniors in the Federation the opportunity to participate in this program it will not be required that the junior be present at the Convention. The junior's entry may be brought to the Convention by another RMFMS member. The money for these awards shall be included in the annual budget.

It has long been Traditional for the President of the Rocky Mountain Federation of Mineralogical Societies to wear the garment known as the "President's Hat" at official functions of the Federation. The Hat was presented to the Federation by former RMFMS President Ralph Platt.

This Operating Procedure will formalize the minimum requirements for wearing of the Hat, the penalties to be imposed upon the President for non-compliance and the procedure for passing the Hat on to the next President.

1. The Hat shall be tastefully displayed upon the head of the President for at least 50% of the duration of time while presiding over the Annual Meetings of the Executive Committee and the House of Delegates. In addition, it shall also be displayed for at least 50% of the duration of the annual Awards Banquet and for some significant, but unspecified, period of time at all other official or unofficial RMFMS functions or other occasions such as, but not limited to, the Editors/Webmasters Breakfast and when the President is conversing with RMFMS friends.

An appropriate announcement regarding the President's compliance will be made prior to dispersal. Further, the Vice President shall wear the Hat in accordance with Paragraph 1 of this procedure, or be found in non-compliance.
6. The Hat can be cleaned with special dispensation from the President's Hat Compliance Committee. The current president can decorate the hat with "adornments that add to the character" of the Hat.

These Representatives report to the President, and the Committee does not have a formal Chair. Each Representative also may appoint additional members to their respective state Committees.

The State Representatives and their committee members will be responsible for monitoring use, as it pertains to rockhounds and collectors, of public lands. Such land not only includes federal parcels such as that managed by the Bureau of Land Management and the U.S. Forest Service, but land managed by smaller entities such as states, counties, cities, and others.

The Representatives shall become familiar with public land-use regulations and convey such information to the general membership. The President is the official spokesperson for the Federation and has the authority to contact land-use managers on behalf of the Federation.

The Representatives will maintain contact with similar Chairs in other Regional Federations in order to facilitate cooperative action. When a problem occurs in another Regional Federation and the Representative is notified, it shall be their duty to attempt to initiate appropriate supportive action from within the Rocky Mountain Federation. The members will be encouraged to attend any public hearings and to write personal letters seeking support for those involved in such beneficial actions or legislation.

Sharing of expenses shall be in the form of reimbursement of either mileage traveled, reimbursed at the current IRS business mileage deduction, or documented air travel expenses, within limits, at the time the travel occurs.

State Directors will be reimbursed by the Treasurer for mileage traveled in official visits to their state's RMFMS member clubs for official RMFMS business with a limitation of \$200.00 per fiscal year. Application for reimbursement must be made within the fiscal year in which the travel occurred.
2. RMFMS attendees at the AFMS Convention are normally the President, Vice President, the Uniform Rules Committee Chair, and one other Uniform Rules committee member selected by the Chair and approved by the President. In the event that a substitute attendee is needed, the President selects a Past President to attend. These selections are dictated by AFMS rules.

Quality of material shall be the determining factor for the Minerals and Fossils divisions.

The Rocky Mountain Federation trophies and all competitive exhibit ribbons will be awarded by the Uniform Rules Committee. These are considered a Federation award and the expense will be borne by the Federation.

Any individual or society shall be eligible to win more than one trophy at any given show.

However, a winner will not be eligible to receive a trophy in that particular trophy classification until the 3rd annual competition thereafter.

Subject: RMFMS Website Contest

The President shall appoint a Website Contest Chair who will select additional Committee members as deemed advisable and necessary.

The RMFMS Website Contest is held yearly and awards are presented at the RMFMS Convention. The contest is open to all current RMFMS clubs. The contest follows the AFMS website contest guidelines, using entry forms and scoresheets developed by the AFMS Website Contest Chair.

RMFMS clubs are sent an email from the Webmaster Contest Chair with guidelines, entry forms and scoresheets attached for the contest. This notice is usually sent two months before the entry deadline. After the entry deadline, each entry is sent to two judges selected from other regional Federations.

Once these entries are judged, scores are sent to the RMFMS Website Contest Chair to be calculated for first, second and third places. The chair creates award certificates, orders award ribbons from the RMFMS ribbon chair, and a First Place trophy from the RMFMS Trophy Chair. These will be presented at the Convention or mailed to those not in attendance.

The first and second place winners are then sent to the AFMS Website Contest Chair for judging in the AFMS Website Contest. This contest includes all regional Federations.

RMFMS website contest winners are announced at the RMFMS Convention, and awards presented at the Editors and Webmasters Awards Breakfast. Any winner not in attendance will have their awards forwarded to them. All other results sent by email with their placing and the judges scoresheets and comments.

After the RMFMS Convention, the results are emailed to the RMFMS Newsletter Editor and Webmaster for publication.
